XXL®

## XXL® Transmission Ultra S

### Digital High-End Satellite Cable

Digital high-end satellite cable for the transmission of high-resolution audio and image data. External interference stands no chance thanks to the use of a very compact sheath current filter. The inner conductor used in this five-star satellite cable is made from highly pure oxygen-free HPOCC® copper; its outstanding fivefold shielding means that its signal transmission is almost perfect and loss-free. The shielded full-metal plug helps make the transmission of highly sensitive HDTV signals extremely stable – particularly at the critical material transitions.

### Features

- ✓ Made in Germany
- ✓ Incl. removable sheath-current filter
- ✓ >125 dB Shielding
- ✓ Full HD – Video
- ✓ fivefold shielding
- ✓ Solid full-metal plug
- ✓ 24 ct gold plated plug
- ✓ HPOCC® - monocrystalline copper
- ✓ High-quality fabric sheathing
- ✓ Coaxial cable layout
- ✓ 75 ohm wave impedance

### Technical Data

Shielding dimension	125 dB
Capacity	52 pF/m
Inner conductor material	HPOCC® - monocrystalline copper
Cable sheathing	fabric sheath
Shielding quantity	fivefold shielding
Shielding material	2 x aluminium foil + 2 x copper braid + 1 x conducting CPVC
Plug design	Full-metal screw-type plug
Characteristic wave impedance	75 Ω
Cable geometry	Round
Plug type	Straight

Designation	Art. No.	Unit	Colour
Transmission Ultra 170 S	22620	1.7 m	black / grey
Transmission Ultra 220 S	22621	2.2 m	black / grey
Transmission Ultra 320 S	22622	3.2 m	black / grey
Transmission Ultra 510 S	22623	5.1 m	black / grey
Transmission Ultra 750 S	22624	7.5 m	black / grey
Transmission Ultra 1000 S	22625	10 m	black / grey
